About Vision online services

About Patient Services

We offer an online service for our patients so you can book your appointments, order your repeat prescriptions and have online access to your medication history and allergies online at your convenience.

Online appointment booking

Have the flexibility to book and cancel your appointments from home, at work or any location with internet access. You don't need to queue at the practice, wait on the telephone and you can manage your appointments outside practice opening hours.

Request your repeat prescriptions online

Request your repeat prescriptions quickly online by logging into your account and simply ticking the appropriate boxes. You can review the progress of your repeat prescriptions and any message that the practice may have sent to you.

Access to your GP record online

Take greater control of your health and wellbeing by being able to view your medication history, allergies and adverse reactions online.

If you are interested in finding out more about the Vision clinical system we use at our GP practice please visit www.inps.co.uk.
